

# SMOKETOWN After School Program COMMUNITY CENTER

The Smoketown Community Center is now enrolling After School Program participants ages 11-17! In order to participate, youth and parents must attend a 30 minute learning session and brief interview.

You'll learn valuable information about the program schedule, meet the team and have the opportunity to ask any questions you might have! Additionally we will need you to complete a brief application and release form for each participant.

Orientation will start the following week and run September 8-11. Students will be notified of acceptance into the stipend program by September 12. The Smoketown Afterschool Program will start on September 15, 2025 and occur Monday - Thursday from 4:00-7:00 PM during the school year.

Please note: There are only 70 stipend spots available (\$50/week). Once filled, additional youth may still attend the program, but stipend spots will be closed.

WHO

Youth: Ages 11-17

WHAT

Smoketown After School Program
